### TALENT TIP:

DO NOT FAX YOUR HEADSHOT. It looks awful and ties up the fax line. Mail it or email it, when requested. (640x480 maximum size)

### SIGNS OF A COMPULSIVE ACTOR...

1. Do you ever ACT alone?
2. Do you ACT everyday?
3. Has ACTING gotten you in trouble at work?
4. Does your family complain you ACT too much?
5. Do you ACT in the morning?
6. Do you hide plays/ monologues around the house?
7. Are most of your friends ACTORS?
8. Do you get upset at parties when you find that you're the only ACTOR there?
9. Do you spend money you don't have on ACTING?
10. Have you tried to stop ACTING only to find yourself at another audition a few days later?
11. Are your loved ones upset over your ACTING?
12. Have you ever thought your life would be easier if you didn't ACT?
13. Do you tell yourself you can stop ACTING anytime you want?
14. Do you envy people who can ACT without getting into trouble?
15. Has anyone ever said, "So, you're an actor, do a little something for us."?
16. When asked what you do, and you answer "I'm an actor", is the most common response, "So, what have you done, where have I seen you"?
17. Do you undergo behavior changes when you ACT, often seeming to become someone else?
18. Do you suffer from Blackouts or Curtain Calls?

If you answered "yes" to five or more of the above, then you are not alone, visit a local actor's meeting in your area, and get the help and support you so richly deserve!
